The auctioneer's decision will be final. In the case of identical (tied) bids during our Live Auctions, the earliest received bid shall take priority. In the case of a tie bid during our Sales, between a mail/fax bid and an Internet bid, the Internet bid will take precedence and obtain the lot. PLEASE CONTACT US IF YOU REQUIRE FURTHER EXPLANATION. No BUY bids or unlimited bids will be accepted. Bids may be made by mail, fax, email, phone or place your bids on our website, either before the sale or by bidding online during the sessions. - 9 The cataloguer has taken every reasonable measure to ensure that all of the lots in this sale are as described and genuine. All raw coins and banknotes have been graded by the cataloguer or the auction house which represent our best professional opinion. To grade coins and banknotes, we use Canadian grading standards, 34 years of experience and good conscience. Grading is a subjective description in the opinion of the cataloguer or the auction house. Among experts there are often differences of opinion on the grading and the eye appeal of a coin. The strike and the state of preservation are often debated. TCNC acts as an agent between consignors and buyers. TCNC does not guarantee that any coin or banknote catalogued will meet the standards, or the grade, of any third party grading companies. No warranty, whether impressed or implied.

TCNC hereby disclaims all liability for damages, incidental, consequential or otherwise, arising out of or in connection with the sale of any property by TCNC to the purchaser.
