NUMISMATIC COMPANY

EXCLUSIVE STAMP AUCTION

A Remarkable Offering — Every Lot Selling Without Reserve

For more than 40 years, The Canadian Numismatic Company has built a reputation for presenting important collections and exceptional material to collectors throughout Canada and around the world. During that time, we have conducted several hundred successful numismatic and militaria auctions, handling countless significant collections and achieving numerous outstanding—and in many instances world-record—auction results.

Philately, however, has always represented a much smaller and more selective part of our auction program. In over four decades of business, we have conducted fewer than a dozen dedicated stamp auctions.

This sale is different.

We are very pleased to present what we believe to be the finest and most important stamp auction we have ever offered.

The decision to produce a dedicated catalogue and expand this sale well beyond our usual philatelic offering came about unexpectedly. We were fortunate to receive two major stamp consignments from two of our most important standing numismatic consignors. Once we began reviewing the material, the quality, rarity and depth of the collections made the decision easy—we simply could not say no.

The result is this Exclusive Stamp Auction, featuring an impressive selection of desirable Canadian and Newfoundland philatelic material, together with Provinces, Revenues, Law Stamps, historical documents, postal stationery and numerous specialized items that should appeal to collectors at many levels.

Among the major highlights are important classic rarities, including the Canada Scott #3, together with outstanding Newfoundland Pence issues including Scott #2 and Scott #16a. These are complemented by an extensive offering of better and scarcer material throughout the catalogue, with many attractive individual stamps, multiples, specialized varieties, certified pieces and seldom-offered items.

EVERYTHING SELLS — ABSOLUTELY NO RESERVE

One point deserves special emphasis:

EVERYTHING IN THIS AUCTION IS OFFERED WITHOUT RESERVE.

There are no hidden reserves and no protected minimums. Every lot must sell.

From the opening lot to the final lot of the auction, bidders will determine the results. This creates the kind of genuine auction environment that collectors appreciate—the opportunity to compete for desirable material knowing that every single lot will find a new home.

For more than two decades in particular, The Canadian Numismatic Company has become widely recognized within the Canadian numismatic industry for its commitment to auction presentation, extensive collector participation and the exceptional results achieved for important material. Over the years, our auctions have produced numerous record-setting prices, including many world-record results.

We are bringing that same enthusiasm, presentation and auction experience to this exceptional philatelic offering.

We invite you to take your time exploring the pages that follow. Whether your interests are in classic Canada, Newfoundland and the Maritime Provinces, Revenues and Law Stamps, historical documents, postal stationery or simply unusual and desirable philatelic material, we believe you will discover many lots worthy of serious consideration.

Most importantly, we hope you enjoy this catalogue and the remarkable material entrusted to us.

With every lot selling without reserve, we anticipate spirited bidding, a few surprises and, hopefully, some truly memorable auction moments.

Enjoy the catalogue. Enjoy the hunt. And get ready for a little auction fever!

49. NEWFOUNDLAND: - 1857 2d Scarlet Vermilion, Scott #2 — Rare Certified Pence Issue. A rare and important unused example of Newfoundland's celebrated 1857 2d Scarlet Vermilion, Scott #2, from the colony's historic first Pence issue. Displaying the distinctive rich scarlet-vermilion colour and bold early impression, this example is unused with a small part of original gum remaining—particularly desirable for such an early and challenging Newfoundland classic. Accompanied by a 2013 Vincent Graves Greene Philatelic Research Foundation certificate confirming genuineness, an important assurance for this scarce early issue.

The certificate notes a vertical crease and some light soiling, imperfections which are mentioned for accuracy but do little to diminish the significance and overall collectability of this genuine rarity. The 1857 Pence issues rank among the great classics of Newfoundland and British North American philately, with the 2d Scarlet Vermilion being particularly elusive in unused condition. Genuine examples are seldom encountered and eagerly sought after by serious Newfoundland and BNA specialists, especially when accompanied by respected expert certification. Despite the noted imperfections, this remains a highly presentable and desirable example of a genuinely difficult stamp, retaining considerable character and eye appeal. A rare, certified and historically significant Newfoundland classic — an excellent opportunity to acquire the elusive Scott #2, and a stamp that would occupy an important position in any advanced Newfoundland Pence or British North America collection.

143. CANADA - 1851 12d Black Queen Victoria, Scott #3 — A MAJOR RARITY OF CANADIAN PHILATELY; An outstanding and exceptionally rare example of Canada's legendary 1851 12 Pence Black Queen Victoria, Scott #3, universally recognized as one of the great classic rarities of Canadian philately and a cornerstone of any important Pence collection. Printed on laid paper with a clearly identifiable verge line, this genuine used example displays a strong, detailed impression and remarkably generous margins, with ample to large margins on all sides and an especially extraordinary, extra-large right margin, giving the stamp a distinctive and highly impressive appearance. The cancellation has been lightened, as documented by the accompanying expert certificates, allowing the celebrated engraved portrait of Queen Victoria to remain particularly prominent. The stamp is accompanied by two important expert certificates spanning nearly half a century: 1959 Philatelic Foundation Certificate No. 10,325 and 2006 Vincent Graves Greene Philatelic Research Foundation Certificate No. 3418. Both confirm the stamp as genuine and note the lightened cancellation, providing valuable expert provenance for this important Canadian rarity. F-VF appearance. Despite the noted cancellation treatment, the stamp possesses exceptional visual presence, particularly owing to its unusually generous margins and striking oversized right margin. The 12d Black is among the most famous, sought-after and instantly recognizable stamps of British North America, and genuine examples remain important acquisitions whenever offered. A true trophy of this auction and one of its unquestioned philatelic highlights. An impressive, twice-certified example of the iconic Scott #3 — a stamp of considerable rarity, historical importance and enduring prestige, destined for an advanced Canadian or British North America collection.

Si vous choisissez le paiement par carte de crédit, soyez avisé que les frais administratifs ne sont pas remboursables. Transferts bancaires par câble accepté.
Une prime d'Acheteur Standard sera chargée aux enchérisseurs gagnants selon leur méthode d'offre. La responsabilité revient aux enchérisseurs de comprendre leur prime d'acheteur avant la mise.
Une mise en ligne, incluant une mise en direct et une mise placée d'avance = Prime d'Acheteur Standard est de 19,5% pour tout paiement en argent comptant, par chèque, par câble et/ou par virement Interac. Paiements avec carte drédit, la prime d'acheteur Standard est de 23,5%.
Une mise par courrier électronique, par la poste = Prime d'Acheteur Standard est de 19% pour tout paiement en argent comptant, par chèque, par câble et par virement Interact. Paiements avec carte drédit, la prime d'acheteur Standard est de 23%.
Une mise téléphonique = Prime d'Acheteur Standard est de 19,5% pour tout paiement en argent comptant, par chèque, par câble et par virement Interact. Paiements avec carte drédit, la prime d'acheteur Standard est de 23,5%.
2. Tous les enchérisseurs ayant gagné une mise en ligne recevront une facture par courriel. Les prix atteints seront publiés sur notre site Internet quelques jours suivant la vente. Les prix atteints peuvent être envoyés par la poste sur demande. **TOUS LES LOTS DOIVENT ÊTRE ENTièrement PAYÉS AVANT LA LIVRAISON.** Les paiements doivent être effectués en dollar canadien par chèque, par transfert bancaire par câble à NOTRE compte ou en argent comptant (argent comptant accepté pour des montants de moins de 10 000\$). Virements Interac accepté. Malheureusement, nous n'acceptons PAS PAYPAL. Les paiements en dollar américain seront acceptés à environ 2% de plus que le taux de change en vigueur le jour de l'encan. Les factures sont converties comme il se doit sur demande. Si vous choisissez le paiement par carte de crédit, soyez avisé que les frais administratifs ne sont pas remboursables. Les enchérisseurs n'ayant pas de relation d'affaires établie avec la Compagnie canadienne de numismatique devront fournir des références de crédit avant la vente. Pour nos enchérisseurs déjà établis, vos lots sont envoyés lorsque votre chèque a été reçu. Pour les nouveaux clients, vos chèques doivent être encaissés avant l'envoi de vos items. Si vous désirez recevoir vos lots plus rapidement, considérez le paiement par chèque certifié ou par transfert bancaire par câble. Toutes les factures doivent être reçues et payées en entières au plus tard 12 jours après la date de la vente aux enchères. Les factures non payées dans les 30 jours seront soumises à des taux d'intérêt de 2% facturés mensuellement. Ces frais débiteront en date de la facture initiale et se poursuivront jusqu'à ce que le montant de la facture ait été payé en totalité. Si l'encanteur requiert l'emploi d'un avocat pour la résolution de paiements, l'enchérisseur s'engage à payer tout frais juridique relié au cas.
3. L'encanteur ouvrira la mise approximativement à 10% au-dessus de la deuxième plus haute mise reçue ou de la réserve déterminée par le consignataire. Toutes les mises reçues seront réduites si possible. Ne craignez donc pas de miser votre maximum. Si aucune mise n'est reçue ou si le lot est sans réserve, l'encanteur ouvrira les enchères à la mise initiale indiquée par le prix en ROUGE mis entre parenthèses devant la valeur du lot dans le catalogue. Les Mises d'Ouverture; Les mises d'Ouverture ne représentent pas toujours les Réserves établies par les consignataires. Dans certains cas, les consignataires choisiront une réserve plus élevée que la mise d'ouverture que nous avons déterminée. Il s'agit du montant déterminé avant les prix estimés en rouge. C'est pourquoi, dans certains cas, l'encanteur appellera des lots vendus au livre même si la mise d'ouverture a été atteinte ou excédée. Dans ces cas, les lots sont considérés comme invendus et habituellement retournés au consignataire. L'encanteur se réserve le droit de retirer un lot à tout moment pour toute raison avant la vente. Dans le cas d'un événement imprévu d'importance significative, l'encanteur se réserve le droit d'annuler ou le remettre la vente.
4. Les prix sont affichés en dollar canadien. Les mises dans cet encan seront effectuées en dollar canadien. Les mises reçues par la poste provenant des États-Unis seront converties au taux de change en vigueur la journée de la vente. Les estimations listées proviennent du Canadian Coin News, des catalogues Charlton, du Canadian Dealers Newsletter, des prix au détail, des ventes e-Bay, du Cornwell report et/ou des prix du marché de l'offre et la demande. Les dates clé et le matériel de grande valeur requerront généralement une prime et devraient se vendre près et/ou au-delà des estimations. Nos estimations sont justes et raisonnables, veuillez miser en conséquence. Aucun lot ne devrait se vendre à moins de 50% des estimations. Avec une offre de 80% de la plus haute estimation, vous avez de bonnes chances de remporter la mise. Avec une offre de 100% de la plus haute estimation, vous remporterez probablement la mise. Pour les items très rares, les estimées peuvent être largement dépassées. Le catalogueur a pris toutes les mesures possibles pour assurer que tous les lots de cette vente soient authentiques et tels que décrits dans le catalogue. Tous les billets de banque et les pièces de monnaie ont été gradés par le catalogueur ou la maison d'encan, ce qui représente notre meilleure opinion professionnelle. Pour grader les billets et les pièces, nous utilisons les standards canadiens de gradation, nos 40 ans d'expérience et notre bonne conscience. Toutefois, la gradation reste une description subjective selon l'opinion du catalogueur ou de la maison d'encan. Des différences d'opinion quant à la gradation et à l'attrait visuel de la monnaie surviennent souvent parmi les experts. La frappe et l'état de conservation de la monnaie sont souvent débattus. La Compagnie canadienne de numismatique agit en tant qu'agent entre les consignataires et les acheteurs. La Compagnie canadienne de numismatique ne garantit pas que les pièces ou les billets de banque catalogués rencontreront les standards ou les grades de tiers externes (compagnies de gradation). Aucune garantie, autant explicite qu'implicite. Les items sont tels que vus dans le catalogue, aucune garantie n'est offerte. Nous ne sommes pas responsables et nous renonçons à toute responsabilité reliée à des pertes financières et/ou des frais accumulés durant la vente d'items. Nous ne garantissons pas non plus que les items gradés par un tiers obtiendront les mêmes grades s'ils sont soumis à une évaluation de gradation différente ou s'ils sont réévalués par la même compagnie tierce. Le retour d'items certifiés n'est pas autorisé. Tous les lots demeureront chez la maison d'encan jusqu'à ce que l'acheteur ait payé en totalité le montant des lots. Toutefois, après la vente, les lots sont détenus au risque de l'acheteur.
4. Les taxes de vente, si applicables, seront ajoutées au montant total de chaque facture de l'acheteur. Pour les lots envoyés au Canada, la TPS/TVH appropriée sera facturée. Pour tous les lots envoyés au Québec, la TVQ de 9,975% sera facturée. Pour tous les lots envoyés aux États-Unis ou outre-mer, aucune taxe ne sera facturée. La Compagnie canadienne de numismatique n'est pas responsable des dédouanements, des frais de douanes ou des coûts de transport reliés aux colis. Tous les coûts reliés à ces situations relèvent uniquement de la responsabilité du client. La Compagnie canadienne de numismatique ne fournit pas de lettre de garantie, ni de crédit. Si le client demande que l'envoi de ses gains ou si des colis doivent être retournés à un endroit à l'extérieur du Canada, des taxes et des frais de douanes, dont la taxe sur la valeur ajoutée (TVA), peuvent s'appliquer dépendamment du pays d'importation. Le client, en acceptant ces modalités, reconnaît que toute taxe et tout frais de douanes, incluant les TVAs, ne relèvent que de sa responsabilité et que la Compagnie canadienne de numismatique ne sera pas tenue responsable de ces frais. Les frais d'expédition et de la couverture d'assurance seront facturés aux enchérisseurs fructueux. La couverture d'assurance sera facturée à 0.00499% (0.49\$ pour un achat de 100\$). Si refusée, le colis sera envoyé au risque de l'acheteur. Toutes les expéditions outre-mer sont envoyées au risque de l'acheteur.
5. Les enchérisseurs misant par la poste peuvent retourner des lots décrits incorrectement pour un remboursement complet dans les 5 jours suivant la réception des lots (AUCUN RETOUR pour les items certifiés, AUCUN RETOUR pour des lots en vrac et des lots contenant plus de 5 items). **AUCUN RETOUR ne sera accepté, et ce PEU IMPORTE LA RAISON, après le 17 novembre, 2026** puisque les consignataires doivent être payés. AUCUNE EXCEPTION. Due à la volatilité du prix de l'or, aucun retour ne sera accepté sur les pièces en or. La compagnie canadienne de numismatique agit seulement à titre d'agent pour les consignataires et ne fait aucune garantie indépendante au titre. La Compagnie canadienne de numismatique renonce à toute responsabilité pour des dommages, des faux frais ou autres surgissant lors ou en lien avec la vente d'un bien de la Compagnie canadienne de numismatique à un acheteur. La Compagnie canadienne de numismatique rappelle à tous ses enchérisseurs que la gradation, l'attribution et la méthode de manufacture sont cruciales à la détermination de la valeur de tout item numismatique. **DANS AUCUN CAS** la Compagnie canadienne de numismatique sera responsable envers quiconque pour des dommages directs, indirects, spéciaux ou consécutifs pour quelconque utilisation dans ce catalogue ou ce site Web, ou dans tout autre site Web en lien, incluant les pertes de profit, les interruptions des affaires, la perte de programmes ou d'autres données sur vos appareils électroniques ou autres.
