

The 2026 Fall Militaria Sale

OCTOBER 8-9, 2026

THE CANADIAN

NUMISMATIC COMPANY

Dear Collector,

We are proud to present an exceptional and extensive militaria auction featuring nearly 1,000 lots spanning more than two centuries of military history, with a particularly strong emphasis on Canadian material.

Highlights include important War of 1812, Fenian Raid and 1885 North-West Campaign medals, together with an extensive offering of Canadian and British First and Second World War medals and groups, gallantry awards, Memorial Crosses and numerous well-researched named groupings.

The auction also features a substantial selection of Canadian, British and international badges and insignia, German militaria, uniforms and headgear, swords, bayonets and edged weapons, flags, military ephemera, sculptures and other historically significant artifacts.

Of particular interest are numerous Military Medals awarded for bravery, aviation and RCAF groupings, early Canadian campaign medals, family groups and historically significant named pieces, many offering excellent opportunities for further research.

This diverse offering has been assembled with both the advanced militaria collector and the historical enthusiast in mind. Many pieces have remained in private collections for decades and may be appearing on the auction market for the first time.

We are extremely proud to present this remarkable catalogue and encourage collectors to explore the sale thoroughly. With nearly 1,000 lots covering an exceptional range of Canadian and international military history, we anticipate an exciting and active auction.

Finally, our sincere thanks go to all of our consignors for entrusting The Canadian Numismatic Company with the privilege and responsibility of bringing their collections to market. We wish all bidders an enjoyable auction and the very best of luck.

Enjoy!

Numismatically Yours,
Marc and Eric,
The Canadian Numismatic Company

**Our opinion of the market remains positive and this is supported by excellent results
in recent local and overseas auctions, including record prices realized
at different major auctions over the last year.**

2. Military General Service Medal (MGSM) w/Fort Detroit clasp to "W. WRIGHT DN. MILITIA". Awarded to surviving veterans of the War of 1812 to commemorate the dramatic capture of Fort Detroit on August 16, 1812. Members of the Detroit and Niagara Militia were entitled to this mention and research does show a W. Wright as being a recipient however the medal does show some wear and markings on the rim that could possibly indicate it was re-engraved. Review Carefully.

Opening Bid: (\$100)

\$250 AND UP

3. Canadian General Service Medal 1866–70 w/Fenian Raid 1866 clasp, named to "Ens. A. Deland 21st Bn." Attractive early Canadian campaign medal to an Ensign of the 21st Battalion, awarded for service during the Fenian Raids.

Opening Bid: (\$50)

\$200 AND UP

4. Canadian General Service Medal 1866-70 w/Fenian Raid 1870 clasp to "PTE. J. SAMSON. 17th BN." The 17th Battalion of Infantry (Canadian Militia) was headquartered in Lévis, Quebec, and recruited primarily from the Lévis area.

5. Canada 1885 Northwest Medal to "CAP. AUG. THORN 9e BAT. V.Q.". Awarded to Corporal Augustin Thorn, 9th Battalion, Voltigeurs de Québec, for service during the North-West Rebellion of 1885.

Opening Bid: (\$100)

\$250 AND UP

6. Canada 1885 Northwest Medal to "PTE J. CULP 10th R.G." He was a member of the Royal Grenadiers-granades (R.G.) and awarded the Saskatchewan clasp. Should be noted that our research of Pte. J. Culp, 10th R.G. cannot confirm him from the published regimental rolls. There are references to J. Culp, but with not first name it is difficult to associate them. The medals were officially issued unnamed, and many members of the 10th Royal Grenadiers had their medals privately impressed or engraved in matching regimental styles. Bid accordingly.

Opening Bid: (\$100)

\$250 AND UP

7. Canada 1885 Northwest Medal to "Andrew Gillies, 90th Batt". Received it as part of the 90th Winnipeg Rifles Battalion. Lightly damaged example w/no ribbon.

8. Militaria Medals; British/Canadian Grouping of 7 medals includes Queens South Africa Medal w/Cape Colony Clasp, Kings South Africa Medal w/SA 1902, SA1901 Clasps to "5066 PTE. W. COLES. SOMERSET: LT INFY", 1914-15 Star, 1914-18 British War & Victory Medals to "13380 SGT. W. COLES. 5/CAN-INF", GVI Canada Efficiency Service Medal to "SGT. W. COLES. LORNE SCOTS" w/clasp & For Long Service in the Colonial Auxiliary Forces to "C.S.M. W. COLES. THE HALTON RIFLES". A quite fascinating assembly of medals. Coles was British Born but had a long and prominent veteran/military career with both the British and Canadian Services. Review carefully. Research indicates a strong correlation suggesting that this grouping does indeed belong to the same individual. However, as documentation from this period is not always readily accessible, further investigation is recommended to conclusively confirm the attribution.

Opening Bid: (\$200)

\$500 AND UP

DALTON. 3-CAN.INF.", together with a George V Memorial Cross named "172155 PTE. C.W. DALTON." WM. J. DALTON. P.M. 1892" (weighs 34.9 grs), presumably relating to William J. Dalton, and quite possibly representing an earlier generation of the Dalton family. The precise familial relationship has not been confirmed and is worthy of further research. An appealing British/Canadian family grouping spanning multiple generations, with particularly desirable named First World War material and additional genealogical research potential. 1. This is an Internet, Live Internet, email, phone and mail auction sale conducted. Information provided by The Canadian Numismatic Company on our web site and in this catalog is strictly AS IS and/or strictly an opinion. No warranty given. Bids are per lot. No lots will be broken. Auction sales are not approval sales. All lots shall be sold to the highest bidder as determined by the auctioneer. If any dispute arises during the sale, the auctioneer has the right to reopen the lot and put it up for sale again. The auctioneer's decision will be final. In the case of identical (tied) bids during our Live Auctions, the earliest received bid shall take priority. In the case of a tie bid during our Sales, between a mail/fax bid and an Internet bid, the Internet bid will take precedence and obtain the lot. PLEASE CONTACT US IF YOU REQUIRE FURTHER EXPLANATION.

No BUY bids or unlimited bids will be accepted. Bids may be made by mail, email, phone or place your bids on our website, either before the sale or by bidding online during the sessions. If you have yet to do so, take a moment to familiarize yourself with our Internet bidding platform program, an improved online bidding experience which allows bidders to watch and participate in the auction in real time through a live feed.

Payment Methods: **We DO NOT accept PAYPAL.** There are several ways to pay for your auction winnings including: Checks, cashier's checks, and money orders (must be made out to "The Canadian Numismatic Company.") ALL LOTS MUST BE PAID FOR IN FULL PRIOR TO DELIVERY. Payments must be made in Canadian funds by check, bank wire transfer to OUR account or cash (cash accepted if less than \$10,000). Bidders who do not have an established business relationship with The Canadian Numismatic Auction Company will be required to provide credit references prior to the sale. For our established customers, your lots are shipped when your check is received. For new customers, your check must clear before shipping lots. If you wish to receive your lots faster, you might consider a certified check or you can wire your payment directly to our Bank. All auction invoices should be received and paid for in full no later than 12 days following the auction date. Invoices not paid in full within 30 days will be liable to a 2% interest fee, charged on a monthly basis. This fee will commence as of the initial invoice date and continue until paid for in full. If the Auctioneer requires use of an attorney for payment resolution, the buyer agrees to pay all attorney fees related to the case. The auctioneer will open the bidding at the higher of approximately 10% above the second highest mail/email bid received or at the current internet leading bid, or the consignor's reserve. All bids received will be reduced whenever possible. If there are no bids received or reserve, the auctioneer will open bidding at the opening bid. In the PDF/hard copy catalogue, the opening bid is indicated with the price in RED, bracketed right before the estimate prices. Opening bids are in fact not Reserve bids by default. In some cases, consignors will place reserve bids up and above the actual opening bid designated by us. This is why in some cases the Auctioneer will call lots sold to the book even though the Opening Bid has been met or superseded. In these cases the lots are considered unsold and usually returned to the consignor. We reserve the right to bid on behalf of the consignors at any time during the auction sale and without notice to the bidders and to further protect any auction lots that may carry a low reserve/opening bid by bidding on the lot from the sale at any time during the bidding process. (Face value, gold & silver content etc.) Any item offered in this auction sale may be subject to a reserve price, which is the minimum price acceptable to the sellers. The auctioneer reserves the right to withdraw any lot for any reason at any time prior to its sale. In a case of a significant event which, in the judgement of the auctioneer reserves the right to cancel or postpone this sale.
7. Prices are in Canadian funds. Bidding in this auction will be in Canadian funds. Mail bids received from USA customers will be converted at the exchange rates of the sale's date rate. The estimates listed are taken from the Canadian Coin News, Charlton catalogs, Canadian Dealers News letter and retail prices, e-bay sales, Cornwell report and/ or the actual market selling/ asking prices. Key dates and Highest grade material will generally command a premium and should sell close to and/ or above the estimates. Our estimates are fair and reasonable, please bid accordingly. No lot should sell less than 50% of the low estimates. Usually, with a bid of 80% of the highest estimate, you have a fair chance of succeeding, with a bid of 100% of the highest estimate, you will be likely to succeed. For special, popular and rare lots, estimates can be largely exceeded.
8. The cataloguer has taken every reasonable measure to ensure that all of the lots in this sale are as described and genuine. All raw coins and banknotes have been graded by the cataloger or the auction house which represent our best professional opinion. To grade coins and banknotes, we use Canadian grading standards, 45 years of experience and good conscience. However, grading is a subjective description in the opinion of the cataloger or the auction house. Among experts there are often differences of opinion on the grading and the eye appeal of a coin. The strike and the state of preservation are often debated. The Canadian Numismatic Company acts as an agent between consignors and buyers. The Canadian Numismatic Company does not guarantee that any coin or banknote cataloged will meet the standards, or the grade, of any third party grading companies. No warranty, whether impressed or implied. Items are as is, no warranty given. We cannot accept responsibility and waive all liability resulting in financial losses, and or incidentals accruing from the sale of any items, nor can we guarantee that items graded by third party services will grade the same if submitted to a different grading service or re-submitted to the same company. Statements by The Canadian Numismatic Company regarding the condition, the eye appeal, the strike and the population of items are for guidance only. All lots offered are sold "AS IS". Title to all lots remains with the auction house until paid for in full by the purchaser. But they are held at the risk of the purchaser once the time of the sale.

CONDITIONS DE VENTE POUR 2026

1. Il s'agit d'une vente aux enchères électronique, courriel, téléphonique, en ligne et par la poste autorisée. L'information fournie dans ce catalogue ou sur notre site Web par la Compagnie canadienne de numismatique est strictement une opinion. Les mises se font par lot. Aucun lot ne sera divisé. Les ventes aux enchères ne sont pas des ventes par approbation. Tous les lots seront vendus au plus offrant déterminé par l'encanteur. Si un conflit survient durant la vente, l'encanteur se réserve le droit de réouvrir le lot et de le remettre aux enchères. La décision de l'encanteur est finale. Dans le cas de mises identiques (égales) durant nos Encans En Direct, la mise reçue en premier aura priorité. Dans le cas d'une égalité lors de nos Ventes, entre une mise par la poste/par fax et une mise en ligne, la mise en ligne aura préséance et obtiendra le lot. **VEUILLEZ NOUS CONTACTER SI VOUS DÉSIREZ OBTENIR D'AVANTAGE D'EXPLICATIONS.** Aucun achat direct ou mise illimitée ne seront acceptés. Les mises peuvent être effectuées par la poste, par courriel, par téléphone et sur notre site Web, soit avant la vente, soit en misant en ligne durant nos sessions. Si vous n'avez jamais misé à partir de notre site Internet, prenez le temps de vous familiariser avec notre plate-forme en ligne. Il s'agit d'une expérience d'enchères améliorée qui permet aux enchérisseurs de regarder et de participer à l'encan en temps réel grâce à une diffusion en direct.
Modes de paiement : Il existe plusieurs façons de payer pour vos gains lors des enchères : chèques, chèques de banque et mandats (doivent être faits au nom de "Compagnie canadienne de numismatique". Virements Interac. Les cartes de crédit Visa et Mastercard sont acceptées. (Veuillez nous acheminer vos informations par téléphone ou par courriel) : Assurez-vous de consulter le paragraphe 3 avant d'effectuer votre paiement. Si vous choisissez le paiement par carte de crédit, soyez avisé que les frais administratifs ne sont pas remboursables. Transferts bancaires par câble accepté.
2. Une prime d'Acheteur Standard sera chargée aux enchérisseurs gagnants selon leur méthode d'offre. La responsabilité revient aux enchérisseurs de comprendre leur prime d'acheteur avant la mise.
3. **Une mise en ligne, incluant une mise en direct et une mise placée d'avance = Prime d'Acheteur Standard est de 19,5%** pour tout paiement en argent comptant, par chèque, par câble et/ou par virement Interac. Paiements avec carte drêdit, la prime d'acheteur Standard est de 23.5%.
4. **Une mise par courrier électronique, par la poste = Prime d'Acheteur Standard est de 19%** pour tout paiement en argent comptant, par chèque, par câble et par virement Interact. Paiements avec carte drêdit, la prime d'acheteur Standard est de 23%.
5. **Une mise téléphonique = Prime d'Acheteur Standard est de 19,5%** pour tout paiement en argent comptant, par chèque, par câble et par virement Interact. Paiements avec carte crédit, la prime d'acheteur Standard est de 23.5%.
6. Tous les enchérisseurs ayant gagné une mise en ligne recevront une facture par courriel. Les prix atteints seront publiés sur notre site Internet quelques jours suivant la vente. Les prix atteints peuvent être envoyés par la poste sur demande. **TOUTS LES LOTS DOIVENT ÊTRE ENTièrement PAYÉS AVANT LA LIVRAISON.** Les paiements doivent être effectués en dollar canadien par chèque, par transfert bancaire par câble à NOTRE compte ou en argent comptant (argent comptant accepté pour des montants de moins de 10 000\$). Virements Interac accepté. Malheureusement, nous n'acceptons PAS PAYPAL. Les paiements en dollar américain seront acceptés à environ 2% de plus que le taux de change en vigueur le jour de l'encan. Les factures sont converties comme il se doit sur demande. Si vous choisissez le paiement par carte de crédit, soyez avisé que les frais administratifs ne sont pas remboursables. Les enchérisseurs n'ayant pas de relation d'affaires établie avec la Compagnie canadienne de numismatique devront fournir des références de crédit avant la vente. Pour nos enchérisseurs déjà établis, vos lots sont envoyés lorsque votre chèque a été reçu. Pour les nouveaux clients, vos chèques doivent être encaissés avant l'envoi de vos items. Si vous désirez recevoir vos lots plus rapidement, considérez le paiement par chèque certifié ou par transfert bancaire par câble. Toutes les factures doivent être reçues et payées en intégralité au plus tard 12 jours après la date de la vente aux enchères. Les factures non payées dans les 30 jours seront soumises à des taux d'intérêt de 2% facturés mensuellement. Ces frais débiteront en date de la facture initiale et se poursuivront jusqu'à ce que le montant de la facture ait été payé en totalité. Si l'encanteur requiert l'emploi d'un avocat pour la résolution de paiements, l'enchérisseur s'engage à payer tout frais juridique relié au cas.
7. L'encanteur ouvrira la mise approximativement à 10% au-dessus de la deuxième plus haute mise reçue ou de la réserve déterminée par le consignataire. Toutes les mises reçues seront réduites si possible. Ne craignez donc pas de miser votre maximum. Si aucune mise n'est reçue ou si le lot est sans réserve, l'encanteur ouvrira les enchères à la mise initiale indiquée par le prix en ROUGE mis entre parenthèses devant la valeur du lot dans le catalogue. Les Mises d'Ouverture; Les mises d'Ouverture ne représentent pas toujours les Réserves établies par les consignataires. Dans certains cas, les consignataires choisiront une réserve plus élevée que la mise d'ouverture que nous avions déterminée. Il s'agit du montant déterminé avant les prix estimés en rouge. C'est pourquoi, dans certains cas, l'encanteur appellera des lots vendus au livre même si la mise d'ouverture a été atteinte ou excédée. Dans ces cas, les lots sont considérés comme invendus et habituellement retournés au consignataire. L'encanteur se réserve le droit de retirer un lot à tout moment pour toute raison avant la vente. Dans le cas d'un événement imprévu d'importance significative, l'encanteur se réserve le droit d'annuler ou le remettre la vente.
8. Les prix sont affichés en dollar canadien. Les mises dans cet encan seront effectuées en dollar canadien. Les mises reçues par la poste provenant des États-Unis seront converties au taux de change en vigueur la journée de la vente. Les estimations listées proviennent du Canadian Coin News, des catalogues Charlton, du Canadian Dealers Newsletter, des prix au détail, des ventes e-Bay, du Cornwell report et/ou des prix du marché de l'offre et la demande. Les dates clé et le matériel de grande valeur requerront généralement une prime et devraient se vendre près et/ou au-delà des estimations. Nos estimations sont justes et raisonnables, veuillez miser en conséquence. Aucun lot ne devrait se vendre à moins de 50% des estimations. Avec une offre de 80% de la plus haute estimation, vous avez de bonnes chances de remporter la mise. Avec une offre de 100% de la plus haute estimation, vous remporterez probablement la mise. Pour les items très rares, les estimées peuvent être largement dépassées. Le catalogueur a pris toutes les mesures possibles pour assurer que tous les lots de cette vente soient authentiques et tels que décrits dans le catalogue. Tous les billets de banque et les pièces de monnaie ont été gradés par le catalogueur ou la maison d'encan, ce qui représente notre meilleure opinion professionnelle. Pour grader les billets et les pièces, nous utilisons les standards canadiens de gradation, nos 40 ans d'expérience et notre bonne conscience. Toutefois, la gradation reste une description subjective selon l'opinion du catalogueur ou de la maison d'encan. Des différences d'opinion quant à la gradation et à l'attrait visuel de la monnaie surviennent souvent parmi les experts. La frappe et l'état de conservation de la monnaie sont souvent débattus. La Compagnie canadienne de numismatique agit en tant qu'agent entre les consignataires et les acheteurs. La Compagnie canadienne de numismatique ne garantit pas que les pièces ou les billets de banque catalogués rencontreront les standards ou les grades de tiers externes (compagnies de gradation). Aucune garantie, autant explicite qu'implicite. Les items sont tels que vus dans le catalogue, aucune garantie n'est offerte. Nous ne sommes pas responsables et nous renonçons à toute responsabilité reliée à des pertes financières et/ou des frais accumulés durant la vente d'items. Nous ne garantissons pas non plus que les items gradés par un tiers obtiendront les mêmes grades s'ils sont soumis à une évaluation de gradation différente ou s'ils sont réévalués par la même compagnie tierce. Le retour d'items certifiés n'est pas autorisé. Tous les lots demeureront chez la maison d'encan jusqu'à ce que l'acheteur ait payé en totalité le montant des lots. Toutefois, après la vente, les lots sont détenus au risque de l'acheteur.
9. Les taxes de vente, si applicables, seront ajoutées au montant total de chaque facture de l'acheteur. Pour les lots envoyés au Canada, la TPS/TVH appropriée sera facturée. Pour tous les lots envoyés au Québec, la TVQ de 9,975% sera facturée. Pour tous les lots envoyés aux États-Unis ou outre-mer, aucune taxe ne sera facturée. La Compagnie canadienne de numismatique n'est pas responsable des dédouanements, des frais de douanes ou des coûts de transport reliés aux colis. Tous les coûts reliés à ces situations relèvent uniquement de la responsabilité du client. La Compagnie canadienne de numismatique ne fournit pas de lettre de garantie, ni de crédit. Si le client demande que l'envoi de ses gains ou si des colis doivent être retournés à un endroit à l'extérieur du Canada, des taxes et des frais de douanes, dont la taxe sur la valeur ajoutée (TVA), peuvent s'appliquer dépendamment du pays d'importation. Le client, en acceptant ces modalités, reconnaît que toute taxe et tout frais de douanes, incluant les TVAs, ne relèvent que de sa responsabilité et que la Compagnie canadienne de numismatique ne sera pas tenue responsable de ces frais. Les frais d'expédition et de la couverture d'assurance seront facturés aux enchérisseurs fructueux. La couverture d'assurance sera facturée à 0.00499% (0.49\$ pour un achat de 100\$). Si refusée, le colis sera envoyé au risque de l'acheteur. Toutes les expéditions outre-mer sont envoyées au risque de l'acheteur.
10. Les enchérisseurs misant par la poste peuvent retourner des lots décrits incorrectement pour un remboursement complet dans les 5 jours suivant la réception des lots (AUCUN RETOUR pour les items certifiés, AUCUN RETOUR pour des lots en vrac et des lots contenant plus de 5 items). AUCUN RETOUR ne sera accepté, et ce PEU IMPORTE LA RAISON, après le **30 octobre, 2026** puisque les consignataires doivent être payés. AUCUNE EXCEPTION. Due à la volatilité du prix de l'or, aucun retour ne sera accepté sur les pièces en or. La compagnie canadienne de numismatique agit seulement à titre d'agent pour les consignataires et ne fait aucune garantie indépendante au titre. La Compagnie canadienne de numismatique renonce à toute responsabilité pour des dommages, des faux frais ou autres survenant lors ou en lien avec la vente d'un bien de la Compagnie canadienne de numismatique à un acheteur.
11. La Compagnie canadienne de numismatique rappelle à tous ses enchérisseurs que la gradation, l'attribution et la méthode de manufacture sont cruciales à la détermination de la valeur de tout item numismatique. **DANS AUCUN CAS** la Compagnie canadienne de numismatique sera responsable envers quiconque pour des dommages directs, indirects, spéciaux ou consécutifs pour quelque utilisation dans ce catalogue ou ce site Web, ou dans tout autre site Web en lien, incluant les pertes de profit, les interruptions des affaires, la perte de programmes ou d'autres données sur vos appareils électroniques ou autres.
