

The 2026 Fall Sale

WELCOME TO THE 2026 FALL AUCTION

Dear Collectors,

It is with great pleasure and enthusiasm that we welcome you to The 2026 Fall Auction, an exciting five-session numismatic event featuring more than 2,000 lots of Canadian and world coins, banknotes, tokens, medals, and other fascinating collectibles. This important sale brings together two major collections, complemented by an exceptional variety of carefully selected material from 102 additional consignors across North America.

At the heart of this auction are two outstanding Canadian collections: The Olnick Collection, featuring an impressive selection of Canadian coinage, and The LAVAL Collection – Part II, a superb assemblage of Canadian banknotes, including numerous scarce and highly desirable issues. Both collections offer collectors an excellent opportunity to acquire quality material, with many pieces seldom encountered in today's marketplace.

The 2026 Fall Sale offers something for virtually every collector, regardless of specialization or collecting level. Among the many highlights is a wonderful selection of Canadian and World Gold Coins, ranging from popular collector favourites to scarce and desirable issues. An extensive offering of Maritime Provinces coinage, Canadian decimal coins, and Canadian banknotes forms another important part of this sale. In addition, collectors will discover a diverse assortment of United States and world coins and banknotes, along with numerous interesting and unusual items sure to capture their attention.

Throughout the catalogue, you will find an exciting combination of scarce dates, important varieties, exceptional condition rarities, attractive collector-quality pieces, and intriguing discoveries. Several items are seldom offered, while others may be making their first appearance at public auction. We encourage you to take the time to explore the entire catalogue, as there are undoubtedly many hidden treasures and opportunities awaiting discovery.

We firmly believe that The 2026 Fall Auction has all the ingredients for five memorable and exciting sessions of bidding. With its remarkable diversity, impressive quality, and substantial number of desirable pieces, this sale promises to be one of our most exciting numismatic events of 2026.

Our outlook on the numismatic market remains extremely positive, supported by the excellent results achieved at recent Canadian and international auctions. Over the past year, exceptional and genuinely scarce material has continued to generate strong collector interest and enthusiastic bidding, with numerous important pieces realizing impressive and, in certain instances, record-setting prices. The continued demand for quality numismatic material reinforces our confidence in the strength and vitality of the collector market.

As always, our objective at The Canadian Numismatic Company is to bring together exceptional material and passionate collectors while providing a professional, transparent, and enjoyable auction experience. Every collection, whether large or small, receives our careful attention, and we remain committed to presenting each consignment to its fullest potential.

Most importantly, we wish to extend our sincere appreciation and gratitude to all our consignors for the continued confidence and trust they have placed in The Canadian Numismatic Company. It is a privilege to be entrusted with these important collections and individual treasures. We recognize the personal significance that many of these pieces hold, and we take great pride in researching, cataloguing, and presenting them to the numismatic community.

To our loyal clients, longtime collectors, and those joining us for the first time, thank you for your continued support and enthusiasm. Your participation and passion for numismatics are what make these auctions such rewarding and memorable events.

We sincerely hope you enjoy browsing this catalogue as much as we have enjoyed assembling, researching, and preparing it. Whether you are searching for that elusive rarity, expanding an established collection, or simply enjoying the excitement of the auction, we are confident you will find plenty to appreciate.

The 2026 Fall Auction promises five outstanding sessions filled with exciting opportunities, remarkable numismatic treasures, and spirited bidding.

We wish all our bidders the very best of luck, successful acquisitions, and, above all, a thoroughly enjoyable auction experience!

Happy Collecting and Happy Bidding!,

2892. 1939 \$1 "Rotated Dies" ICCS Good-4. A low-ball example with a 45 degree die rotation. This impressive study piece offers an unusual and undoubtedly scarce opportunity for collectors of low-ball coins as well as the many specialists of silver dollar errors and varieties. With a roughly 45 degree die rotation, the parliament building can be seen slanting downward at an angle very similar to what is observed on the celebrated 1967 diving goose dollars. Coins with this degree of rotation are incredibly scarce, especially among larger denominations and are often considered dramatic enough to constitute error status, the consignor of this piece has only seen two examples.

VIEW & READ OUR UPDATED TERMS • ENGLISH / FRANÇAIS**

1. This is an Internet, Live Internet, email, phone and mail auction sale conducted. Information provided by The Canadian Numismatic Company on our web site and in this catalog is strictly AS IS and/or strictly an opinion. No warranty given. Bids are per lot. No lots will be broken. Auction sales are not approval sales. All lots shall be sold to the highest bidder as determined by the auctioneer. If any dispute arises during the sale, the auctioneer has the right to reopen the lot and put it up for sale again. The auctioneer's decision will be final. In the case of identical (tied) bids during our Live Auctions, the earliest received bid shall take priority. In the case of a tie bid during our Sales, between a mail/fax bid and an Internet bid, the Internet bid will take precedence and obtain the lot. PLEASE CONTACT US IF YOU REQUIRE FURTHER EXPLANATION.

No BUY bids or unlimited bids will be accepted. Bids may be made by mail, email, phone or place your bids on our website, either before the sale or by bidding online during the sessions. If you have yet to do so, take a moment to familiarize yourself with our Internet bidding platform program, an improved online bidding experience which allows bidders to watch and participate in the auction in real time through a live feed.

Payment Methods: **We DO NOT accept PAYPAL.** There are several ways to pay for your auction winnings including: Checks, cashier's checks, and money orders (must be made out to "The Canadian Numismatic Company.") E-Transfer/EMT payments, Visa and Master Card accepted. (Please Call in or email in your information). Ensure you refer to Buyer's premium (Paragraph below) prior to making payment. If you choose the credit card payment, please be advised that the administrative fees are not refundable. We prefer wires for larger amounts and overseas clients.

2. **A Standard Buyer's premium will be charged to successful bidders** in accordance with their method of bidding. Bidders are responsible for understanding their buyer's premium prior to bidding.
3. **Online Bidding, including Live & Proxy Bids = Standard Buyer's Premium of 19,5% for all payments made by cash, cheque, Wire and/or E-Transfer.** For all credit card payments, the Standard Buyer's Premium is 23,5%
4. **Mail, Email bidding = Standard Buyer's Premium of 19% for all payments made by cash, cheque, Wire, E-Transfer.** For all credit card payments, the Standard Buyer's Premium is 23%
5. **Phone bidding = Standard Buyer's Premium of 19,5% for all payments made by cash, cheque, Wire, E-Transfer.** For all credit card payments, the Standard Buyer's Premium is 23,5%.
6. All successful internet bidders will receive an invoice by e-mail 24-48 hours AFTER the sale. Prices realized will be published on our website right after the sale. ALL LOTS MUST BE PAID FOR IN FULL PRIOR TO DELIVERY. Payments must be made in Canadian funds by check, bank wire transfer to OUR account or cash (cash accepted if less than \$10,000). E-transfer / EMT payment is accepted. We DO NOT accept PAYPAL, sorry. Payment in U.S. funds will be accepted at approximately 2% above spot rate, on the day of the said auction, invoices will be converted accordingly on request. If you choose the credit card payment, please be advised that the administrative fees are not refundable. Bidders who do not have an established business relationship with The Canadian Numismatic Auction Company will be required to provide credit references prior to the sale. For our established customers, your lots are shipped when your check is received. For new customers, your check must clear before shipping lots. If you wish to receive your lots faster, you might consider a certified check or you can wire your payment directly to our Bank. All auction invoices should be received and paid for in full no later than 12 days following the auction date. Invoices not paid in full within 30 days will be liable to a 2% interest fee, charged on a monthly basis. This fee will commence as of the initial invoice date and continue until paid for in full. If the Auctioneer requires use of an attorney for payment resolution, the buyer agrees to pay all attorney fees related to the case. The auctioneer will open the bidding at the higher of approximately 10% above the second highest mail/email bid received or at the current internet leading bid, or the consignor's reserve. All bids received will be reduced whenever possible. If there are no bids received or reserve, the auctioneer will open bidding at the opening bid. In the PDF/hard copy catalogue, the opening bid is indicated with the price in RED, bracketed right before the estimate prices. Opening bids are in fact not Reserve bids by default. In some cases, consignors will place reserve bids up and above the actual opening bid designated by us. This is why in some cases the Auctioneer will call lots sold to the book even though the Opening Bid has been met or superseded. In these cases the lots are considered unsold and usually returned to the consignor. We reserve the right to bid on behalf of the consignors at any time during the auction sale and without notice to the bidders and to further protect any auction lots that may carry a low reserve/opening bid by bidding on the lot from the sale at any time during the bidding process. (Face value, gold & silver content etc.) Any item offered in this auction sale may be subject to a reserve price, which is the minimum price acceptable to the sellers. The auctioneer reserves the right to withdraw any lot for any reason at any time prior to its sale. In a case of a significant event which, in the judgement of the auctioneer reserves the right to cancel or postpone this sale.
7. Prices are in Canadian funds. Bidding in this auction will be in Canadian funds. Mail bids received from USA customers will be converted at the exchange rates of the sale's date rate. The estimates listed are taken from the Canadian Coin News, Charlton catalogs, Canadian Dealers News letter and retail prices, e-bay sales, Cornwell report and/ or the actual market selling/ asking prices. Key dates and Highest grade material will generally command a premium and should sell close to and/ or above the estimates. Our estimates are fair and reasonable, please bid accordingly. No lot should sell less than 50% of the low estimates. Usually, with a bid of 80% of the highest estimate, you have a fair chance of succeeding, with a bid of 100% of the highest estimate, you will be likely to succeed. For special, popular and rare lots, estimates can be largely exceeded.
8. The cataloguer has taken every reasonable measure to ensure that all of the lots in this sale are as described and genuine. All raw coins and banknotes have been graded by the cataloger or the auction house which represent our best professional opinion. To grade coins and banknotes, we use Canadian grading standards, 45 years of experience and good conscience. However, grading is a subjective description in the opinion of the cataloger or the auction house. Among experts there are often differences of opinion on the grading and the eye appeal of a coin. The strike and the state of preservation are often debated. The Canadian Numismatic Company acts as an agent between consignors and buyers. The Canadian Numismatic Company does not guarantee that any coin or banknote cataloged will meet the standards, or the grade, of any third party grading companies. No warranty, whether impressed or implied. Items are as is, no warranty given. We cannot accept responsibility and waive all liability resulting in financial losses, and or incidentals accruing from the sale of any items, nor can we guarantee that items graded by third party services will grade the same if submitted to a different grading service or re-submitted to the same company. Statements by The Canadian Numismatic Company regarding the condition, the eye appeal, the strike and the population of items are for guidance only. All lots offered are sold "AS IS". Title to all lots remains with the auction house until paid for in full by the purchaser. But they are held at the risk of the purchaser once the time of the sale.

Les mises peuvent être effectuées par la poste, par courriel, par téléphone et sur notre site Web, soit avant la vente, soit en misant en ligne durant nos sessions. Si vous n'avez jamais misé à partir de notre site Internet, prenez le temps de vous familiariser avec notre plate-forme en ligne. Il s'agit d'une expérience d'enchères améliorée qui permet aux enchérisseurs de regarder et de participer à l'encan en temps réel grâce à une diffusion en direct.
Modes de paiement : Il existe plusieurs façons de payer pour vos gains lors des enchères : chèques, chèques de banque et mandats (doivent être faits au nom de "Compagnie canadienne de numismatique". Virements Interac, Les cartes de crédit Visa et Mastercard sont acceptées. (Veuillez nous acheminer vos informations par téléphone ou par courriel) : Assurez-vous de consulter le paragraphe 3 avant d'effectuer votre paiement. Si vous choisissez le paiement par carte de crédit, soyez avisé que les frais administratifs ne sont pas remboursables. Transferts bancaires par câble accepté.
Une prime d'Acheteur Standard sera chargée aux enchérisseurs gagnants selon leur méthode d'offre. La responsabilité revient aux enchérisseurs de comprendre leur prime d'acheteur avant la mise.
Une mise en ligne, incluant une mise en direct et une mise placée d'avance = Prime d'Acheteur Standard est de 19,5% pour tout paiement en argent comptant, par chèque, par câble et/ou par virement Interac. Paiements avec carte de crédit, la prime d'acheteur Standard est de 23,5%.
Une mise par courrier électronique, par la poste = Prime d'Acheteur Standard est de 19% pour tout paiement en argent comptant, par chèque, par câble et par virement Interact. Paiements avec carte de crédit, la prime d'acheteur Standard est de 23%.
Une mise téléphonique = Prime d'Acheteur Standard est de 19,5% pour tout paiement en argent comptant, par chèque, par câble et par virement Interact. Paiements avec carte de crédit, la prime d'acheteur Standard est de 23,5%.
2. Tous les enchérisseurs ayant gagné une mise en ligne recevront une facture par courriel. Les prix atteints seront publiés sur notre site Internet quelques jours suivant la vente. Les prix atteints peuvent être envoyés par la poste sur demande. **TOUS LES LOTS DOIVENT ÊTRE ENTièrement PAYÉS AVANT LA LIVRAISON.** Les paiements doivent être effectués en dollar canadien par chèque, par transfert bancaire par câble à NOTRE compte ou en argent comptant (argent comptant accepté pour des montants de moins de 10 000\$). Virements Interac accepté. Malheureusement, nous n'acceptons PAS PAYPAL. Les paiements en dollar américain seront acceptés à environ 2% de plus que le taux de change en vigueur le jour de l'encan. Les factures sont converties comme il se doit sur demande. Si vous choisissez le paiement par carte de crédit, soyez avisé que les frais administratifs ne sont pas remboursables. Les enchérisseurs n'ayant pas de relation d'affaires établie avec la Compagnie canadienne de numismatique devront fournir des références de crédit avant la vente. Pour nos enchérisseurs déjà établis, vos lots sont envoyés lorsque votre chèque a été reçu. Pour les nouveaux clients, vos chèques doivent être encaissés avant l'envoi de vos items. Si vous désirez recevoir vos lots plus rapidement, considérez le paiement par chèque certifié ou par transfert bancaire par câble. Toutes les factures doivent être reçues et payées en intégralité au plus tard 12 jours après la date de la vente aux enchères. Les factures non payées dans les 30 jours seront soumises à des taux d'intérêt de 2% facturés mensuellement. Ces frais débiteront en date de la facture initiale et se poursuivront jusqu'à ce que le montant de la facture ait été payé en totalité. Si l'encanateur requiert l'emploi d'un avocat pour la résolution de paiements, l'enchérisseur s'engage à payer tout frais juridique relié au cas.
3. L'encanateur ouvrira la mise approximativement à 10% au-dessus de la deuxième plus haute mise reçue ou de la réserve déterminée par le consignataire. Toutes les mises reçues seront réduites si possible. Ne craignez donc pas de miser votre maximum. Si aucune mise n'est reçue ou si le lot est sans réserve, l'encanateur ouvrira les enchères à la mise initiale indiquée par le prix en ROUGE mis entre parenthèses devant la valeur du lot dans le catalogue. Les Mises d'Ouverture; Les mises d'Ouverture ne représentent pas toujours les Réserves établies par les consignataires. Dans certains cas, les consignataires choisiront une réserve plus élevée que la mise d'ouverture que nous avions déterminée. Il s'agit du montant déterminé avant les prix estimés en rouge. C'est pourquoi, dans certains cas, l'encanateur appellera des lots vendus au livre même si la mise d'ouverture a été atteinte ou excédée. Dans ces cas, les lots sont considérés comme invendus et habituellement retournés au consignataire. L'encanateur se réserve le droit de retirer un lot à tout moment pour toute raison avant la vente. Dans le cas d'un événement imprévu d'importance significative, l'encanateur se réserve le droit d'annuler ou de remettre la vente.
4. Les prix sont affichés en dollar canadien. Les mises dans cet encan seront effectuées en dollar canadien. Les mises reçues par la poste provenant des États-Unis seront converties au taux de change en vigueur la journée de la vente. Les estimations listées proviennent du Canadian Coin News, des catalogues Charlton, du Canadian Dealers Newsletter, des prix au détail, des ventes e-Bay, du Cornwell report et/ou des prix du marché de l'offre et la demande. Les dates clé et le matériel de grande valeur requerront généralement une prime et devraient se vendre près et/ou au-delà des estimations. Nos estimations sont justes et raisonnables, veuillez miser en conséquence. Aucun lot ne devrait se vendre à moins de 50% des estimations. Avec une offre de 80% de la plus haute estimation, vous avez de bonnes chances de remporter la mise. Avec une offre de 100% de la plus haute estimation, vous remporterez probablement la mise. Pour les items très rares, les estimées peuvent être largement dépassées. Le catalogueur a pris toutes les mesures possibles pour assurer que tous les lots de cette vente soient authentiques et tels que décrits dans le catalogue. Tous les billets de banque et les pièces de monnaie ont été gradés par le catalogueur ou la maison d'encan, ce qui représente notre meilleure opinion professionnelle. Pour grader les billets et les pièces, nous utilisons les standards canadiens de gradation, nos 40 ans d'expérience et notre bonne conscience. Toutefois, la gradation reste une description subjective selon l'opinion du catalogueur ou de la maison d'encan. Des différences d'opinion quant à la gradation et à l'attrait visuel de la monnaie surviennent souvent parmi les experts. La frappe et l'état de conservation de la monnaie sont souvent débattus. La Compagnie canadienne de numismatique agit en tant qu'agent entre les consignataires et les acheteurs. La Compagnie canadienne de numismatique ne garantit pas que les pièces ou les billets de banque catalogués rencontreront les standards ou les grades de tiers externes (compagnies de gradation). Aucune garantie, autant explicite qu'implicite. Les items sont tels que vus dans le catalogue, aucune garantie n'est offerte. Nous ne sommes pas responsables et nous renonçons à toute responsabilité reliée à des pertes financières et/ou des frais accumulés durant la vente d'items. Nous ne garantissons pas non plus que les items gradés par un tiers obtiendront les mêmes grades s'ils sont soumis à une évaluation de gradation différente ou s'ils sont réévalués par la même compagnie tierce. Le retour d'items certifiés n'est pas autorisé. Tous les lots demeureront chez la maison d'encan jusqu'à ce que l'acheteur ait payé en totalité le montant des lots. Toutefois, après la vente, les lots sont détenus au risque de l'acheteur.
4. Les taxes de vente, si applicables, seront ajoutées au montant total de chaque facture de l'acheteur. Pour les lots envoyés au Canada, la TPS/TVH appropriée sera facturée. Pour tous les lots envoyés au Québec, la TVQ de 9,975% sera facturée. Pour tous les lots envoyés aux États-Unis ou outre-mer, aucune taxe ne sera facturée. La Compagnie canadienne de numismatique n'est pas responsable des dédouanements, des frais de douanes ou des coûts de transport reliés aux colis. Tous les coûts reliés à ces situations relèvent uniquement de la responsabilité du client. La Compagnie canadienne de numismatique ne fournit pas de lettre de garantie, ni de crédit. Si le client demande que l'envoi de ses gains ou si des colis doivent être retournés à un endroit à l'extérieur du Canada, des taxes et des frais de douanes, dont la taxe sur la valeur ajoutée (TVA), peuvent s'appliquer dépendamment du pays d'importation. Le client, en acceptant ces modalités, reconnaît que toute taxe et tout frais de douanes, incluant les TVAs, ne relèvent que de sa responsabilité et que la Compagnie canadienne de numismatique ne sera pas tenue responsable de ces frais. Les frais d'expédition et de la couverture d'assurance seront facturés aux enchérisseurs fructueux. La couverture d'assurance sera facturée à 0.00499% (0.49% pour un achat de 100\$). Si refusée, le colis sera envoyé au risque de l'acheteur. Toutes les expéditions outre-mer sont envoyées au risque de l'acheteur.
5. Les enchérisseurs misant par la poste peuvent retourner des lots décrits incorrectement pour un remboursement complet dans les 5 jours suivant la réception des lots (AUCUN RETOUR pour les items certifiés, AUCUN RETOUR pour des lots en vrac et des lots contenant plus de 5 items). **AUCUN RETOUR ne sera accepté, et ce PEU IMPORTE LA RAISON, après le 17 décembre, 2026** puisque les consignataires doivent être payés. AUCUNE EXCEPTION. Due à la volatilité du prix de l'or, aucun retour ne sera accepté sur les pièces en or. La compagnie canadienne de numismatique agit seulement à titre d'agent pour les consignataires et ne fait aucune garantie indépendante au titre. La Compagnie canadienne de numismatique renonce à toute responsabilité pour des dommages, des faux frais ou autres surgissant lors ou en lien avec la vente d'un bien de la Compagnie canadienne de numismatique à un acheteur. La Compagnie canadienne de numismatique rappelle à tous ses enchérisseurs que la gradation, l'attribution et la méthode de manufacture sont cruciales à la détermination de la valeur de tout item numismatique. **DANS AUCUN CAS** la Compagnie canadienne de numismatique sera responsable envers quiconque pour des dommages directs, indirects, spéciaux ou consécutifs pour quelconque utilisation dans ce catalogue ou ce site Web, ou dans tout autre site Web en lien, incluant les pertes de profit, les interruptions des affaires, la perte de programmes ou d'autres données sur vos appareils électroniques ou autres.
